PROFESSIONAL SUMMARY

Aspiring Full Stack Developer with practical exposure in programming and web application development through academic projects and internship training. Interested in working on AI Tools & Technologies and continuously improving technical and problem-solving skills. Looking for an opportunity to apply my technical knowledge and contribute to innovative projects.

SKILLS SUMMARY

Frontend Technology: HTML5, CSS, JavaScript (ES6), React JS

Backend & Databases: Python, MySQL, PostgreSQL, REST APIs,

Tools & Platforms: Git, GitHub, Postman, XAMPP, Linux (Basic)

Software Concepts: OOPS, Authentication & Authorization, API Integration

INTERNSHIP EXPERIENCE

Full Stack Developer Intern

Mist Software Solutions Pvt Ltd, Coimbatore | May 2024 – Jul 2024

- Developed dynamic web applications by integrating front-end interfaces with back-end APIs
- Debugged application issues, optimized performance, and improved system reliability.
- Collaborated with developers to implement scalable web features.

PROJECTS

Automation of Cheque and Fund Transfer System

- Built a platform to manage employee and client payment records with automated cheque printing and secure fund clearing.
- Implemented data verification, account verification and transaction workflows to ensure accurate fund transfers.
- Reduced manual processing errors and improved transaction efficiency.

Technologies: PHP, MySQL, XAMPP, Apache Tomcat

Real-Time Attack Detection Model and Platform Using Big Data and Machine Learning

- Designed a system to detect multiple cyber-attacks in web and mobile applications using Big Data and Machine Learning algorithms.
- Implemented supervised machine learning models and evaluated performance metrics.
- Focused on analytical problem-solving and continuous improvement of detection accuracy.

Technologies: Python, Machine Learning, Big Data Concepts

EDUCATION

Master of Computer Applications (MCA)

Karpagam Academy of Higher Education, Coimbatore | Aug 2023 – Jul 2025

Bachelor of Science in Computer Science (B.Sc.)

Karpagam Academy of Higher Education, Coimbatore | Jun 2020 – May 2023

CERTIFICATION

FRONT-END DEVELOPMENT

Qtree Technologies, Coimbatore | Dec 2024 - Jan 2025

- Completed intensive hands-on training in HTML5, CSS3, JavaScript (ES6+) and React JS.
- Built reusable React components, integrated REST APIs and managed application state efficiently.
